Lisa

Just following up on our conversation the other day - it was very nice to see you, as always. I hope you don't mind but I spoke to Ana Baptista - she and I are likely going to take over as co-chairs of the lower Passaic River CAG this month and I would like to include her in the conversation with you and Judith. She understands the parameters of the meeting.

So, my calendar is fairly open, with the exception of all day July 22, the afternoon of July 25, all day July 27, and all day July 29. If you would like to forward some dates and times to me, I can coordinate with Ana.

Thanks, Debbie

ps. I told Greg about your real confidence in his abilities to keep Baykeeper afloat while I was out...I think he will be having words with you next time he sees you!
